

If you have been paying attention to the news lately, you have seen the devastation that has happened down in Texas. FFA and SADD would like your help to support our neighbors far away. Starting September 6th and running until September 15th, bring in the following items to your first block class: tarps, non-perishable food items (such as a bag of rice or something else that can be opened without a can opener such as a can with a pull tab), personal hygiene items, gloves, supplies for clean-up, flashlights, batteries, and diapers. The first block that brings in ten items or more will be in the running for a donut and cider party. Didn't catch everything on the list? FFA and SADD will be posting posters throughout the school, so take a look to see the list of items that you can donate. Texas needs our help, so let's make this happen!
