

VIKING NAVIGATOR

EVERGREEN LOCAL SCHOOL DISTRICT

SUPERINTENDENT'S MESSAGE

By Eric Smola, Superintendent

It's true what they say, "the days are long but the months are short." I find myself staring in disbelief as I look at my calendar reading May — how did the last nine months fly by so quickly? As the seniors are cleaning out their lockers today, it is very evident that this week brings many "lasts" to our Viking family. I wish our graduates well as they enjoy their last few days as Evergreen students. Embarking on their

new journeys as young adults is both exciting and overwhelming, but I know they are armed with everything they need to make their mark on this world. I congratulate all eight of our retirees as they box up their classrooms and offices and prepare for new adventures themselves, one without early-morning alarm clocks! After all my years in education, I still eagerly anticipate June, July and August for longer days, outdoor activities, and not having to make the decision whether or not to cancel school due to snow, ice, or fog. As my first year as superintendent for Evergreen Local Schools comes to a close, I was also able to experience many "firsts": attending my first football game at Pifer Field, visiting the Fulton County Fair for the first time, wearing my first green and gold Viking t-shirt, watching the best band in the land perform, conducting my first Evergreen District staff meeting, visiting 6th grade camp, attending the school's musical production of *Freaky Friday*, and many others. As summer looms before us, this I know for sure...we never get back today. So, whether it's a first or a last time, enjoy every minute of it!

CONGRATULATIONS RETIREES!

Eight members of the Evergreen family will retire at the end of the school year. Congratulations to Kay Ziegler, Karin Walker, Allen Suchy, Diane Tache, Joe Zabowski, Becky Conklin, Jan Grieser, and Margie Fogle! Between these eight individuals, 173 years have been dedicated to the students of Evergreen Local Schools. Their dedication and commitment to Evergreen will be missed!

Mrs. Kay Ziegler

Kay Ziegler, Evergreen Elementary second grade teacher, began working for Evergreen straight out of college 36 years ago. Over the years, she has taught kindergarten, first, second, and fifth grades. According to Ziegler, each grade has been her favorite because she always has terrific students! She says she is going to miss the dedicated teachers she works with as well as the smiling faces that she gets to see each day. "I have been very blessed to work for Evergreen where core values are still witnessed each and every day. I have loved watching children grow and learn each day as I am reminded that childhood is a journey, not a race," says Ziegler. In retirement, she plans on doing mission work and is really excited to see what God has planned for her. She is looking forward to sleeping in and finding time to walk on the beach with her husband. In addition, Ziegler would like to thank all the Evergreen parents for their support over the years and for sharing their precious children with her. "I know that a piece of my heart will always stay at Evergreen Elementary — I will FOREVER be a VIKING!" concluded Ziegler.

Mrs. Karin Walker

Karin Walker, Evergreen Middle School sixth grade English language arts teacher, is completing 21 years at EMS and 37 years in education. Her first 15 years in education she taught at First Church of God Christian School in Toledo, Ohio. She began her teaching career at EMS as a sixth grade reading teacher. Her fondest memory at Evergreen is working with the caring and dedicated students who always try to do their personal best as well as looking forward to sixth grade camp at Camp Palmer every year. "It has been an honor to be part of such a hard working group of teachers and administrators; the only thing that I regret is that I did not have the opportunity to spend my first 16 years teaching for the Evergreen community," she said. In her retirement, she is looking forward to spending more time with her family, especially her 17-month old grandson, and her parents. She is looking forward to taking part in more church and outside activities, a more relaxing schedule, and traveling. In fact, she and her husband will be visiting Germany this summer with her parents. "I look forward to hearing about all the accomplishments of the Evergreen Local School District. I thank you for 21 rewarding and memorable years!"

Mr. Allen Suchy

Allen Suchy, EHS custodian, is completing his 13th year at Evergreen and retiring from the workforce with 45 years under his belt. His resume includes working at Spuyten Duyval Golf Course while in high school, seven years at Surface Combustion Inc., and 21 years at Toledo Milk Processing where he not only worked in the plant but also drove a semi truck delivering dairy products. His favorite part of working for Evergreen has been the friendly atmosphere and his co-workers, especially the high school kitchen staff. Suchy's most memorable event is when the kitchen staff dressed up as "Al" for Halloween, complete with shop shirts, name tags, and caps. "I am really going to miss the people here, but I will not miss getting up at the crack of dawn to open the building," he said. He is looking forward to setting his own schedule and having the time to travel and camp wherever and whenever he wants with his wife. "Thanks, Evergreen, for the memories!"

CONGRATS RETIREES, CONTINUED

Mrs. Diane Tache

Diane Tache, District Curriculum Coordinator/Director, has completed four of her 40 years of education tenure at Evergreen. Her resume is long and includes being a teacher at Toledo Public Schools, principal at McComb Middle School and Wayne Trail Elementary School, assistant superintendent at Bowling Green City Schools, as well as a curriculum consultant for the North Central Ohio Educational Service Center. As she packs away her school supplies one last time, she knows she will miss Evergreen's tight-knit community the most and is looking forward to a later morning wake-up time. Her

retirement plans include living in Naples, Florida eight months of the year with her husband and playing in the ladies' golf league, exercising, reconnecting with long-lost friends, and being available for her mother and grandchildren. She is also hoping to read more, travel, and volunteer at the Naples Philharmonic. "Thank you, Evergreen, for graciously opening up your school community to me."

Mr. Joe Zabowski

Joe Zabowski is retiring as Evergreen Middle School principal after completing six of his 40 years of service in the educational field. "I have been in several educational settings throughout my career, and none match the importance placed on community as found in Evergreen," he states. Over the years, Zabowski has served an intervention specialist in Arcanum, Ohio, middle school teacher in Austin, Texas, a 6-12th grade teacher at the Wood County Alternative School, assistant principal at Bowling Green Junior High, and principal of Bowling Green Middle School. Looking back at his time spent at Evergreen, Zabowski

says, "I never grow tired of the connections I have made with the students, staff, and teachers. Each person has a story that is unique, special, and important, and I try to keep those stories in my memory bank for as long as possible. I will most miss the people I come in contact with on a daily basis." Rest assured, he says he will not miss the early mornings or the countless meetings required of educators. His future plans include playing a lot more tennis, officiating high school, college, and adult-league tennis tournaments, and of course, whatever his wife has planned. "Thank you, Viking Country!"

Ms. Becky Conklin

Becky Conklin began teaching for Evergreen Local Schools in 1976, her first professional job after college graduation. This marks her 43rd year in education, all of them as a Viking, and mostly as a fifth grade teacher. She has taught at all four elementary buildings, beginning with Metamora, then Lyons, next Fulton, and now on County Road 6. Building and moving into the new elementary building with its updated facilities is one of Mrs. Conklin's favorite memories of her career. In 2007, she was named a Jennings Scholar. "My favorite part about teaching is when I can see the lightbulb go off in a student's

head, the "Ah-Ha moment", when a student understands a foreign concept for the first time," she said. "I also love that no two days are alike, good or bad, tomorrow is always another day," she added. Her retirement plans include traveling; so far a trip to Houston, Texas and Sarasota, Florida are on her docket. She is also looking forward to volunteering and spending time with her two children and seven grandchildren. "I'm going to miss this place, the children, and my co-workers."

Bo, EES Therapy Dog

Bo is retiring at the end of the school year. He has served as the EES therapy dog since 2014 bringing comfort to hundreds of students. He will become a permanent member of Mrs. Mollie Youtzy's family.

GOODBYE NWOESC RETIREES

Both Jan Grieser and Margorie Fogle are employed by the Northwest Ohio Educational Service Center, but have been placed in the Evergreen Schools for decades. Both will be missed!

Mrs. Jan Grieser

Jan Grieser has completed 32 years as an intervention specialist at Evergreen while serving 36 years in education for

the NWOESC. She says she will never forget the fire at the old EMS building in Metamora and how the staff worked together to re-open within days. Later that year when it was time to move into the new EMS, the community came to help and the transition was made within one weekend. Regarding her retirement, she says, "I will miss the staff and the students. Evergreen has always welcomed me as a teacher and treated me as one of their own. Thank you!"

Mrs. Marjorie Fogle

Marjorie Fogle has been serving Evergreen for 20 years as a paraprofessional in special education. She has been in the

education sector for 30 years. Her retirement plans include spending time with family and traveling. She says there are too many Evergreen memories to name just one. "It has been rewarding to have worked with students where I feel like I made a difference. I will miss the incredible people at EMS who are always ready to help each other out. I have been fortunate to work with a dedicated and caring staff that puts the students first."

PELUSO COMPETES NATIONALLY

Congratulations Trenton Peluso, EHS senior, for placing in the Top 10 at the National Business Professionals of America (BPA) contest in Anaheim, California. Trenton competed in Network Administration Using Microsoft/MTA Networking Fundamentals. Trenton attends Four County Career Center, where he studies computer networking and cybersecurity. He plans to continue his studies at Youngstown State University.

HAUSKNECHT AIMS HIGH

Steven Hausknecht completed his required credits in December from EHS and opted to graduate early in order to begin his service in the U.S. Air Force. While he will not be available to participate in the Class of 2019's Commencement Ceremony, he has already completed his basic military training. Steven is now an Airman and stationed at Goodfellow Airforce Base in San Angelo, Texas where he is attending Tech School, specializing in intelligence. We salute you, Steven! Congrats!

EHS WINS AWARD

EHS has been honored with a 2019 Eco-High School Award granted by the Science Alliance for Valuing the Environment Inc. (S.A.V.E). According to the congratulations letter on display in the main office, "We are very grateful for all you have done at Evergreen for the environment." S.A.V.E. serves as a catalyst for individual and community action for sustainability.

EHS QUIZ TEAM ENDS SEASON

The EHS Quiz Team traveled to Chicago for the third straight year and competed in the National Small Schools Quiz Team Tournament (SSNCT) in early May. After two days of competing, the team placed 25th out of 80 teams as well as in the top 12 in the Very Small Schools division. Congratulations to Coach Bill Blanchong and the players who participated: Adam Dumas, Trevor Cobb, Jacob Barnowski, Chandler Ruetz, Augustus Tipping, Kamryn Ruetz, Emma Fritsch, Katie Wheeler, Jacob Blanchard, and Owen Cromly.

COLOR FOR CAMO RUN

By Colin Smith, student

Colin Smith, sophomore, served as the lead coordinator for the 2019 Color for Camo Run, sponsored by Veterans Matter and Youth Leadership Toledo. The two-mile color run/walk raised nearly \$5,000 which will help seven homeless veterans with shelter needs. Several Evergreen students participated in the event. Alex Peete, freshman, won the men's division, and Gina Silvestri, sophomore, won the women's division. Colin organized this event as his service project for Youth Leadership Toledo with three students from the Toledo area.

EHS BAND FEATURES INTERNATIONAL MUSICIAN

Folks who attended the Evergreen Bands Spring Concert were treated to guest artist, Duke Heitger, accompanying the Symphonic Band. Heitger is a nationally known jazz trumpet musician and Toledo native who now resides in New Orleans. Heitger is a longtime friend and fellow UT Marching Band member of Mr. Chris Lyons, band director. Heitger is one of the most sought after players on the international music scene, performing and recording around the world with a diverse roster of musicians. Mr. Lyons said, "It was a fantastic night celebrating the talents of Heitger and our students."

EHS COMMENCEMENT CEREMONY

On Sunday, May 27, 102 seniors will don their caps and gowns and graduate from Evergreen High School. The ceremony begins at 2:00 in the High School Gymnasium. Doors open at Noon.

REPRESENTING EHS

This summer, four upcoming seniors will represent Evergreen High School at Buckeye Boys State and Buckeye Girls State as local delegates. Alexandra Gillen, Kamryn Ruetz, Chandler Ruetz, and Drew Donald will join thousands of students across Ohio at these two programs. The week-long programs are designed to present mock government at the state, county, and city levels and focuses on the rights of citizenship. Buckeye Girls State will be held June 16-June 22 at the University of Mount Union. Buckeye Boys State is conducted June 9-16 at Miami University. Students are sponsored by local American Legion Posts and Auxiliaries.

LOCAL GOVERNMENT

EHS American government students traveled to Wauseon to view Fulton County government in action. Enroute, students were able to visit the "Eyes of Freedom" exhibit at the Fulton County Museum. They also visited the Courts, Prosecutor, 911 Dispatch Center, Sheriff's Office, Economic Development, Job & Family Services, and the Health Department.

TJ RUPP TRACK INVITATIONAL

EHS hosted the TJ Rupp Track Invitational on April 29. Athletes from Delta, Emmanuel Christian, Ottawa Hills, and Northwood High Schools competed in track and field events. The EHS Boys Team was named first place champions, and the EHS Girls Team took second place. The Invitational is hosted in memory of former, deceased athletic director, TJ Rupp.

ART CLUB

The Art Club recently visited the Toledo Museum of Art. They also toured BGSU's School of Art and viewed its Bachelors of Fine Art (BFA) Art Show.

RIGHT TO READ WEEK AT EES

Right To Read Week reinforces the importance of reading, anytime, anywhere. Celebrated throughout EES, activities included scavenger hunts, a presentation by the Evergreen Community Library, dress-up days, BINGO, a visit by the EHS Volleyball Team, and reading by the beach-themed mural.

BROKEN RECORDS!

EMS track and field school records have been broken and reset! Congrats Sam Worline (disc), Brooke Sintobin (800m), and Lucy Serna (shot put)!

BOARD GAMES

EMS sixth graders were recently challenged to create their own board games based on the novel, *Where the Red Fern Grows*. This project enabled the students to review the story in fun and interesting ways.

6TH GRADE CAMP

Sixth grade students, along with their teachers, attended four days and three nights at Camp Palmer where they participated in the annual Outdoor Education Program. “The Evergreen Local Board of Education approves this program as part of the regular 6th grade curriculum because the outdoors has much to teach our students, not only about nature and the environment, but about themselves and others,” says Mr. Zabowski, middle school principal. While camp revolves around nature and hands-on activities, the students really focus on team building, cooperation, working together, and getting to know their classmates. Skills and social activities included canoeing, archery, crafts, kickball, field day competitions, campfires, and more. Outside presenters from the Toledo Zoo, Fulton County Sheriff’s Department, Fulton County HC3, and EHS FFA students joined the campers throughout the week to educate them on various topics. In addition, Evergreen High School students serve as camp counselors and role models while helping to maintain order among the 90 sixth graders. To help defray the cost of attending, fundraisers are held throughout the year. The remainder of the cost is paid for by the campers families. This year marks the 36th year Evergreen students have attended the program.

SECOND GRADERS CELEBRATE AG DAY

EHS FFA members presented Ag Day to second graders to help educate them on the many aspects of agriculture in today’s world. Topics included animals, plants, soils, safety, and much more. Rabbits, goats, tractors, and a horse were also on campus for children to experience.

VIKINGS PIZZERIA

Pictured L to R: Liz Smithmyer, Tasha Andrews, and Nick Schoendorf

Vikings Pizzeria, located in Lyons, Ohio, recently celebrated its five-year anniversary. Owned and operated by Evergreen community residents, Nick and Jill Schoendorf, Vikings Pizza has gone from small pizza shop to a full-fledged, seven-day-week restaurant complete with a bar and Keno games. Local photos of student athletes and youth teams adorn the walls, but as one walks through the front door, it is impossible not to notice the wall-sized menu, which includes burgers, wings, salads, quesadillas, bubble teas, and of course, pizza.

Ever wonder what makes the restaurant's most popular list? According to Nick, Friday and Saturday nights are the busiest, in which

100-150 pizzas are created. Carryout is more popular than the eat-in business. Finally, the most requested pies are pepperoni, house supreme, and customer favorite, chicken-bacon-ranch.

In addition to their children, Bailey and Lane, the Schoendorfs employ 20 individuals, the majority are Evergreen High School students or alumni. In fact, currently all four Smithmyer siblings work for Vikings Pizzeria: Liz, Emily, Mike, and Will. "Some people just call the shop the 'Smithmyer-ria'," jokes Nick. Liz Smithmyer is the current manager. "I wouldn't be in business if it wasn't for the Vikings, and my wife who takes care of everything behind the scenes," he said.

Interestingly, as successful as Vikings Pizzeria is, being a pizza shop owner was never on Nick's career path. A graduate of Springfield High School in Holland, Ohio, Nick continued his education at both the fire and police academies. He served seven years as a police officer and 12 years as a fireman. In 2004, he and his wife decided to move out of town, and they built their current home in the Evergreen School District. According to Nick, he was bitten by the entrepreneur bug in 2007; that's when he left the public service profession. After working in the construction field for a few years, he put in an offer on the then for sale Pizza Pit owned by Donna and Jerry Moyer. The offer was accepted, and Vikings Pizzeria was born, refurbished, and expanded for its customers.

Pizza isn't the only entrepreneurial venture Nick has embarked upon in the last decade. He is also co-owner of Pro Air Solutions, a union sheet metal company, established in 2015. Started from the ground up, Pro Air Solutions originated in Lyons and has since moved to its current location in Cleveland.

In addition, many local residents are aware that the Lyons VFW Hall has undergone significant changes. Nick is the new owner of the building and has recently opened the establishment as the Stars and Stripes Saloon. Opened seven-days-a-week beginning at 4:00 pm, the saloon offers a full bar, snack foods, including cheese curds, wings, fried pickles and mozzarella sticks, live music, and more. The menu will soon include burgers and pulled pork sandwiches. According to Nick, the VFW organization will be housed at the location for life, as long as the charter is in effect.

"I enjoy watching this community thrive, and I like making my customers happy," said Nick. "The Evergreen District has welcomed me and my family, and I have met a lot of great people. I look forward to seeing my customers at one of the many Evergreen events."

Vikings Pizza is open :
 Sun.-Thurs. 11:00 am-9:00 pm
 Fri. & Sat. 11:00 am-10:00 pm
